Wayne

To one of the greatest
guys from the
memories of
all

A group of students are posed on a brick wall. In the foreground, two students are seated: a male on the left wearing a blue and white striped shirt, and a male on the right wearing a red shirt. Behind them, several other students are standing or sitting on the wall. The entire photograph is covered with blue ink signatures and the phrase "as you are" written vertically in a cursive script.

Wayne,

To one of the nicest boys in the senior class. I know you put up with a lot from me like, Wayne Kula, the time we went up to Sears for a coffin, writing names on your books, etc. But I hope we still can be good friends now and in the future... Good luck in anything you may attempt and God Bless you.

*Hayne, a good discussion leader
in fourth period English class.
I look forward to hearing great
things about you in the future.*

Dedication *Leora B. Rager*

We, the graduating members of the Class of 1966, as a last and parting gesture wish to dedicate this, the 1966 edition of the Reflector to you—Miss Leora Rager. We hope that this annual will serve you as a reminder of our class and will in the future bring back only pleasant memories of our association. More important, however, is the fact that this is little payment indeed for the many services you have rendered to us, both individually and collectively, during our short sojourn at Ferndale. We will long remember your dedication to both classroom and extracurricular activities and the witty manner in which you so artfully shared your knowledge and experience with us. These lessons, which are not so easily learned nor so soon forgotten, will be invaluable to us in the future. From the Class of 1966, heartfelt congratulations and every success in the future.

Greetings to You:

Basic to our approach in education is the theme "Education for all, equal opportunities for all." As Americans we consider education as the best means for improvement and achievement. Education serves as the main vehicle in fostering such great ideals of our American society as individual dignity, personal liberty, and equality of opportunity.

Public education has been the main spring of our entire educational program. This program stresses the development of individual capacities, rather than fitting our students into a mold. The chance to succeed rests on abilities and talents of the individual rather than on background or inheritance.

Our hope is that while you have been a student at the Ferndale Area High School that we have challenged you to develop your individual abilities so that you might succeed.

Best wishes to the Class of 1966. May they continue the great ideals of our American Society.

Sincerely,

Elmer J. Berkebille

MR. ELMER J. BERKEBILE
Supervising Principal

DR. RUSSELL R. GRUMLING
Ass't Supervising Principal

MR. COLBERT W. VARNER
High School Principal

During the 1965-66 school term, Ferndale Area Schools operated for the first time as a merged district. The administrators of our schools have done a remarkable job in overcoming the pitfalls which beset the school during this period of renovation. Under the leadership of Mr. Berkebile, Ferndale Area has emerged from the transition maintaining its reputation of academic excellence. He has received invaluable assistance from Dr. Grumling, who directs the elementary program, and Mr. Varner, the guiding light in the senior high school. The unsung heroes are the secretaries who assist in implementing the programs set up by the administration. "HATS OFF TO A JOB WELL DONE."

Board of Education

To the members of the Board of Education has fallen the responsibility of directing the entire operation of a school system. The member districts of the Ferndale Area Schools are truly fortunate in having the capable leadership necessary to provide the facilities and personnel which maintain the excellent standards of the community and promote the educational ideals of our society. Without the worthwhile endeavors of these dedicated individuals this would surely be impossible. To these men we impart our sincere congratulations.

Faculty

In determining the ultimate worth of an educational program the most important single factor to be considered is the faculty. An institution of learning is only as successful as its teaching personnel are capable. We at Ferndale are fortunate to number among our teachers some of the finest in the area. We wish to salute these people who have given so much of themselves and their ability to prepare and guide us for the future.

We wish to thank the Service Department of our school for the fine job they have done throughout the year. The custodians industriously tackled the task of keeping the building clean and the equipment in repair. They could be found doing various and essential maintenance jobs, from replacing light bulbs to repairing the ventilating system. Our cooks are also to be commended for efficiently serving to the student body inexpensive yet well balanced meals.

Seniors—this is your last year at Fern-
 dale; therefore, this, the Reflector of 1966,
 is devoted to you. The Reflector staff hopes
 that this issue will serve as a treasure of
 the future—serving as a link to the past.

The Reflector presents in pictorial form
 the myriad of faces and events which made
 this—your senior year. It is necessary, how-
 ever, that you look not to the past, but to
 the future. Upon graduation you will be-
 come citizens of the world with adult duties
 and responsibilities for which you have
 been so adequately prepared. We, the mem-
 bers of the Reflector staff, impart to all of
 you sincere congratulations and the best of
 luck and success in the future.

Captain Barry Wright and Coach Matsko

The 1965 "Football Jackets", under the tutelage of Coach John Matsko and his assistants Coaches McKay and Rankin, had a better season than the record indicates. Backed by fine school spirit and a will to win, the team represented Ferndale Area well in the gridiron wars, despite many key injuries. The team, sparked by a fine defense, managed to keep all opponents save one within distance until the final gun. The departing seniors leave behind them a fine tradition and example for the coming years.

Coach Rich

Each autumn a small group of dedicated athletes, operating largely unnoticed, works diligently to represent Ferndale Area in interscholastic competition. This year, the "harriers" of Coach Al Rich had a very productive season after a slow start, topped by a second place finish in the District 6, Class B, Championship competition. Coach Rich and his runners are to be commended for their efforts to represent our school so well in this gruelling sport.

Largely through the efforts of these two athletes, who finished 6th and 7th respectively in a field that exceeded fifty of the finest runners in the district, Ferndale Area copped second place to cap their 1965 season. Congratulations!

Coach Rigby
(190 Wins—122 Losses)

The 1965-66 edition of the basketball team had a monumental task set before them. Playing in a league above their class, the "Jackets" were following one of the most successful teams in the history of the school, having won both the Mountain Conference and Tri-County League Championships. A complete rebuilding job, under the watchful guidance of Coach Dick Rigby, produced a fine squad that remained in contention the entire season and was successful in getting into the District 6 PIAA playoffs. Congratulations are in order for Coach Rigby and his crew for a successful season and best of all, the District "6" B crown for the first time in the history of the school and advancing to the state quarter-finals.

The Junior Varsity basketball team has shown much enthusiasm and initiative throughout the season both at home and on foreign courts. Under the guiding hand of Coach Klaum, they trained with the varsity squad in order to improve their skill. The future successes of Ferndale basketball depend on how well these lessons have been learned. We wish to commend these athletes for their devotion to the sport of basketball and wish them success in the years to come. WELL DONE TEAM!

Head Coach Lynn Rankin

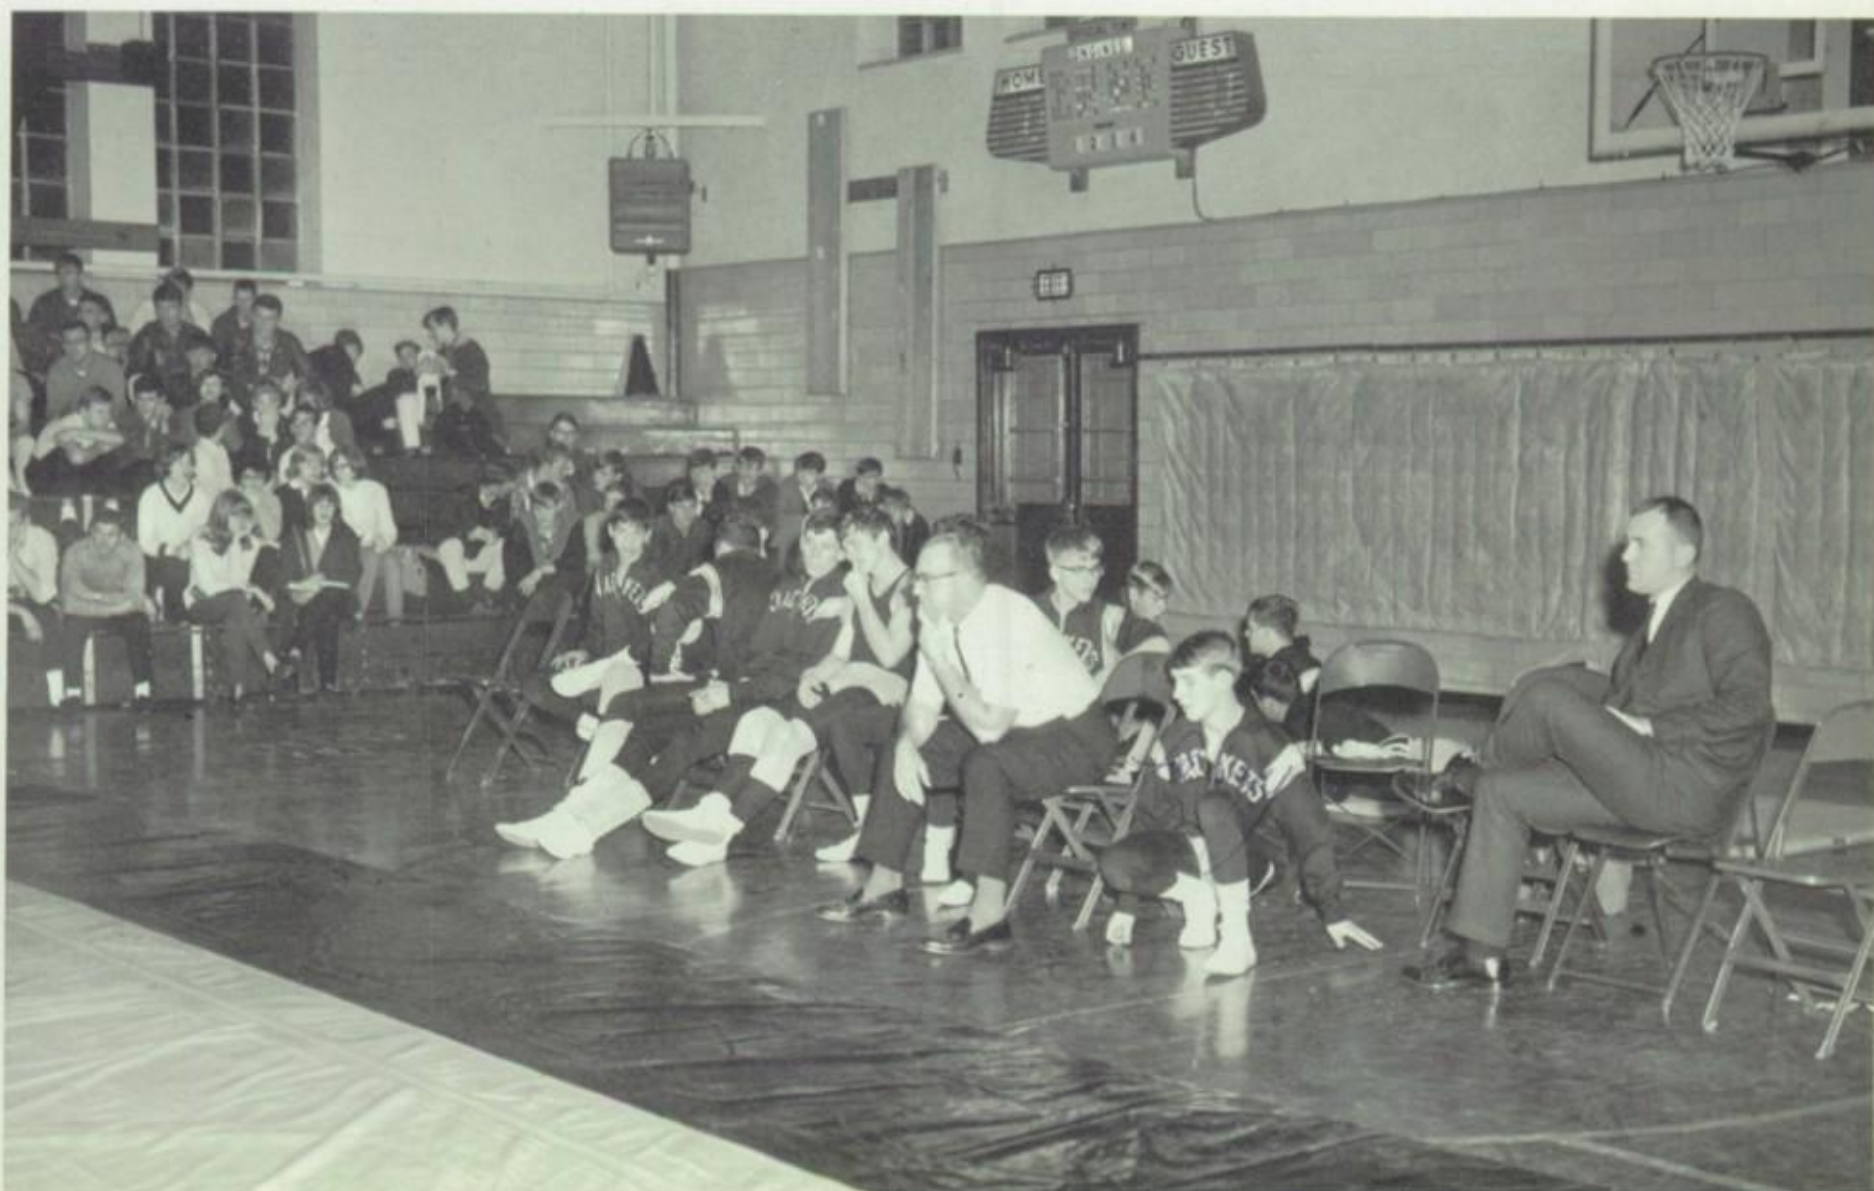

Managers: Ron Martin, Bill Wojcik, Bernie Thiel

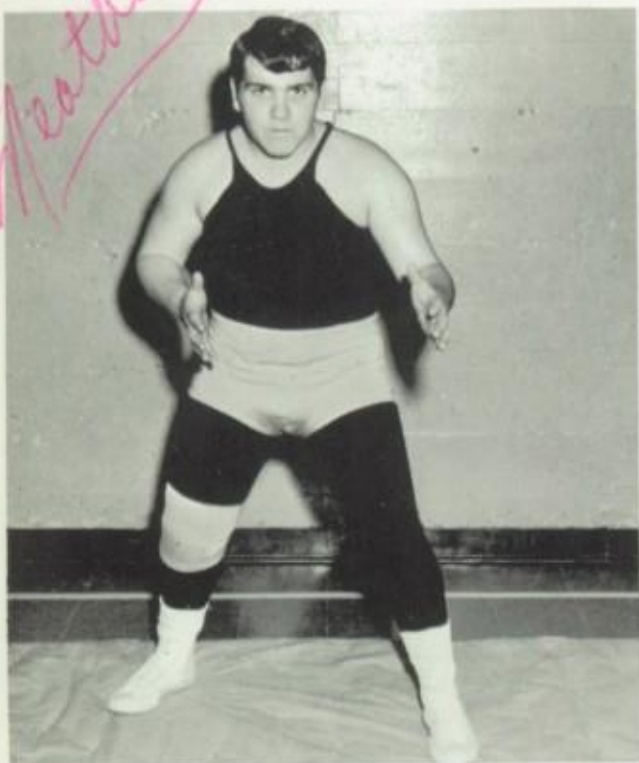

The 1965-66 was a banner year for Ferndale Area wrestling fans. Coach Lynn Rankin, in his second year as head mentor, with the able assistance of Coach George Kauffman, led his team to the best season in the school's history. The season mark of 8 wins and 2 losses in dual meet competition placed the team among the finest in the district. We wish to salute Coach Rankin and his "matmen" for placing Ferndale Area in the thick of the district wrestling scene and feel that through the inspiration of this year's squad, wrestling will continue to thrive at Ferndale High.

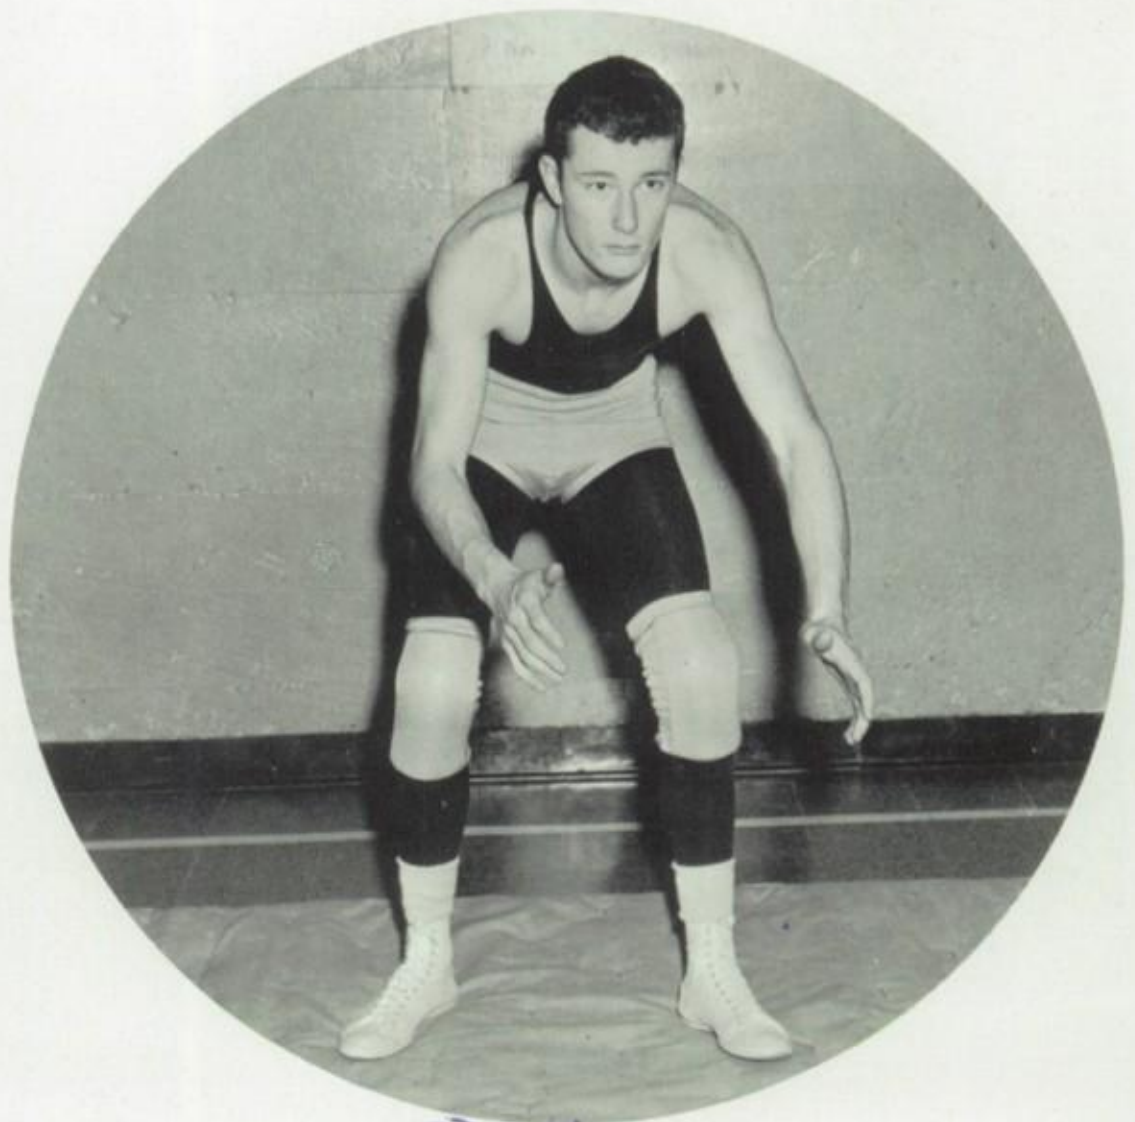

Well Done!

Each spring, the fairways of district golf courses and country clubs are invaded by the most avid and enthusiastic of sports fans—the golfer. Ferndale Area's athletic program contributes to this mass migration as Coach Dick Rigby leads forth his charges in their annual battle with par. This year's team promises to be better than ever with a solid contingent of seniors along with some fine underclassmen who improved their skill during the winter by attending a clinic under the direction of George Anderson, North Fork Country Club Pro. *BEST OF LUCK TEAM.*

MARK DAVIS

The truest measure of individual skill, strength, and endurance in the athletic world are the track and field events. Among the oldest of sports, track and field provides the only true individual confrontation of athletic ability. This year's track and field squad is preparing for the spring sports season under the guidance of Head Coach George Kauffman and Assistant Coach George Ambroe, both new faces among Fern-dale's coaching staff. With a small nuclei of returning lettermen, a rebuilding job has been started. We wish to extend the best of luck to the "thinclads" and their coaches. HAVE A GOOD SEASON!

Coach Thomas Petrore

Each spring Ferndale Area's athletic department fields a baseball squad to represent the school in the district diamond wars. Not considered by many to be a major sport at the high school level, baseball provides many thrills for the sports enthusiast and should receive greater fan support.

Our team is no exception! Under the management of Coach Petrore, the baseball squad braves inclement weather, battles mud, and overcomes many other obstacles to field a team. With a strong senior nucleus, this year's baseball season promises to be one of the best yet.

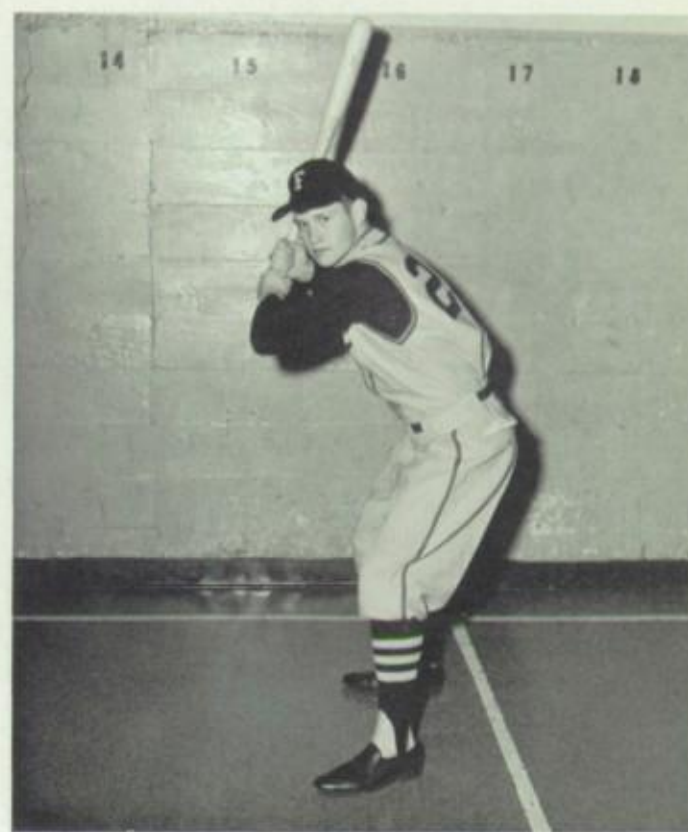

Good Luck Team!

Band

The Ferndale Area High School Band, made up of 72 members and directed by Mr. J. E. Pencola, has provided musical entertainment for assemblies, pep rallies, and, of course, the half-time shows at the football games. They also marched in a number of parades, including the Halloween Parade, Christmas Parade, and the Apple Blossom Festival in Winchester, Virginia.

Mr. Pencola, in an attempt to create more interest, held summer practice, a week of Band Camp at Middle Taylor Grade School, and rehearsals during activities periods, first periods, and often after school. As a result, Audria Fingerhoot, Alice Teeter, and Tom Ayres were chosen to represent Ferndale in District Band.

The band, again this year, sponsored a spaghetti dinner as their main fund raising project.

G.A.A.

The Girl's Athletic Association is a club open to any girl in grades nine through twelve who is interested in gymnastics. Meeting every Tuesday and Thursday during activities periods with Mrs. Anderson, their advisor, these girls worked and trained for meets throughout the year. They participated in the Westmont Exhibition and some competed in the State Meet. A gym clinic and soccer tournament were also in their schedules. The main object of the club, though, was to get these girls interested in choreography and learning the skills necessary to perform what they composed.

This year's Gymnastics Club had an extremely busy year. Working closely with their coach, Mr. Rigby, they learned the proper technique for spotting and participated in many exhibitions and clinics. They took part in the Westmont Exhibition in October, the intermissions at the Cheering Contest, November 10, and in our Annual Gym Exhibition. In March they held a gym clinic and their gym team entered competition in the State Meet. They also competed in the NCAA Gymnastic Championship, April 2, at Penn State, and in the U. S. G. F. Championship, April 16, at Slippery Rock.

Boys Pep Club

Keith Swarny—Treasurer
Richard Brown—Secretary
Tony Penna—President

Adding an extra enthusiastic boost to the cheering section of our student body, was another newly organized club, the Boys Pep Club. Presiding was Tony Penna; the club was advised by Mr. Friebe. Headed by Tony, the club supported many of our athletic events, wearing bright yellow derbies and ringing bells. Yellow was the predominant color seen in the lower left half of the auditorium during Pep Rallies because of the huge mass of waving derbies, and when challenged, this mass could out yell the rest of the student body. As a newer club, they had few organized activities, but were never lacking in spirit.

Key Club

The Ferndale Key Club has always maintained a reputation for being one of the most active clubs in the school. It is sponsored by the Greater Johnstown Kiwanis Club and is advised by Mr. Gaggini. Projects for the year included selling programs at football games, candy at different times during the year, and refreshments at the basketball games.

The goal of the club was to send its officers and senior members to the Annual Key Club Convention which was held in Philadelphia.

Varsity Club

The Varsity Club is an organization made up of those boys who have earned a letter in one of Fern-dale's seven varsity sports. Club activities included a pie sale, dances after the basketball games, and the Annual Turkey Trot when Kathy LaPorte and Ernie Fetzer reigned as Football Queen and King.

Under the leadership of Coach Rigby, these boys have devoted their all to make our school outstanding in all seven sports.

French Club

To those students who want to learn more about France and her culture, the French Club is of interest. They along with their advisor sponsored their second Christmas Dance for the junior high students at Dale on December 18, and went on one cultural trip—to see a French play. They also presented an awards program in which pins were given to the senior members of the club and a certificate to the most outstanding French student.

Jets Club

The Jets Club is organized with the purpose of interesting students in careers in science and engineering. Their projects include repairing the analytical balance and building a centrifuge, a magnetic stir, a spectroscope, and project lights. Each member must work on one of these projects or start one of his own. Under the leadership of Mr. Alwine, the advisor, this club has proven to be one of the most educational ones in our school.

Future Teachers

Preparing those who wish to enter the teaching profession is the Future Teachers of America Club. The highlight of this year's events was hosting the annual Central Western PFTA Convention of the District FTA. Other club activities were trips to various colleges, and substitute teaching in the area grade schools. Money-raising projects included selling plastic book covers, and sponsoring the second annual "Anything Goes" dance.

of America

For those girls who are interested in some type of nursing career, the F.N.A. serves as a good background. Under the leadership of Mrs. Ling, R.N., they worked to better prepare themselves for their future careers. They were given the opportunity to ask questions on different phases of nursing and to discuss the requirements of entering a nursing school. Many, who had free time during the school day, were able to participate in a program which enabled them to work along with Mrs. Ling while she performed her regular duties as a school nurse. Extra activities included a bake sale, a field trip, making a food basket for a needy family, and various other fund-raising projects. They also sponsored the Heart Hop on February 12.

Leo Club

Pete Richards—Director, Al Coulter—Treasurer, Larry Speicher—Director, Roger Blough—President, Tom Carstensen—Vice President, Ted Long—Secretary, Dave White—Director.

The newest addition to the school's club activities was the Leo Club. It was under the direction of Mr. Nastase and Dr. E. J. Hunt, a member of the Ferndale Lions Club. The club's purpose is:

- A. to serve the local high school by co-operating with the administration and faculty in developing leadership, scholarship, responsibility, honesty, and respect in the students.
- B. to serve the community by respecting and responding to the needs and welfare of others.
- C. to serve the nation by promoting the ideals of democracy and
- D. to unite its members in friendship, fellowship, and mutual understanding.

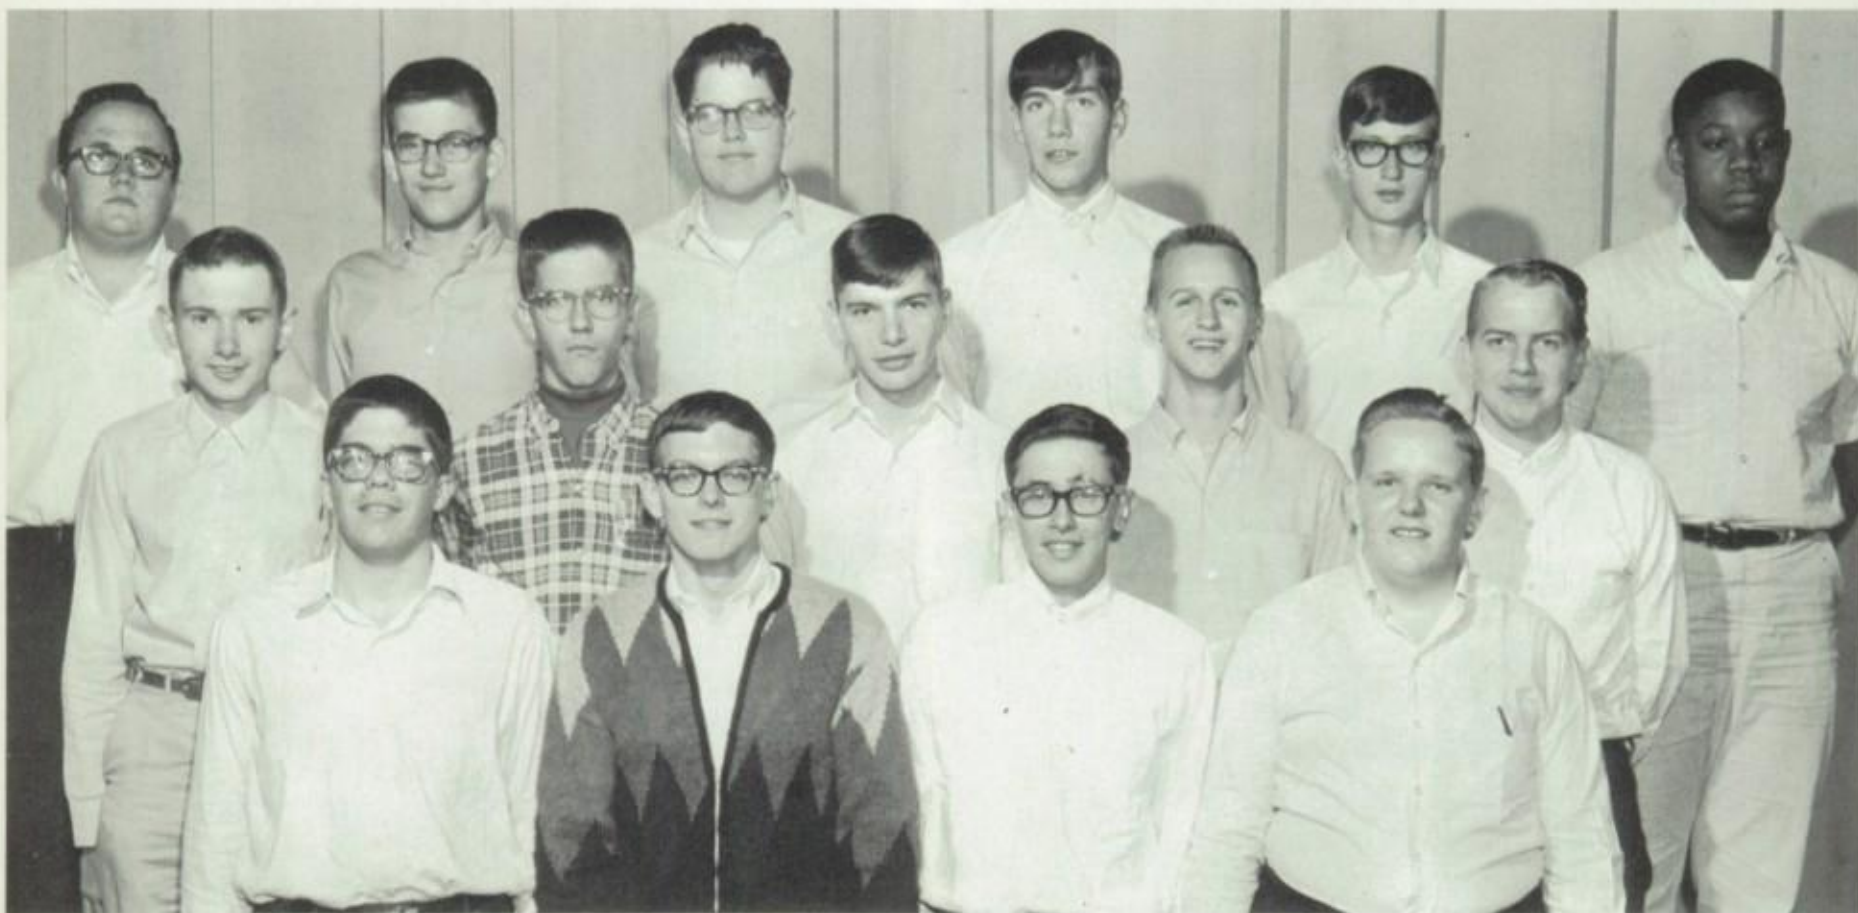

Stage Crew

This year was the first year Ferndale had an organized Stage Crew. Members were chosen so each class was represented. There were four seniors, two juniors, two sophomores, and six freshmen. Under the supervision of Mr. McKay, their advisor, these boys proved to be very efficient in preparing the auditorium for assemblies and restoring it to its original form after them. Much time was spent, on their parts, during activities periods and often after school in order that we might have the proper equipment and stage props for our assemblies. This group should be commended for a job well done resulting from the endless hours they spent and the effort they put forth.

Glee Club

The Glee Club, under the direction of Mr. Williams had fifteen members this year. They met in the high school auditorium, during activities period, and worked out new music for the chorus. Their purpose was to receive musical enrichment through informal get-togethers.

Practicing faithfully every day during seventh period, the chorus has provided the student body with much musical entertainment throughout the year. Highlighted by soloist, Jaime Potter, and the Girls' Trio, composed of Audria Fingerhoot, Lynda Russell, and Debbie Smith, they added much to our music department.

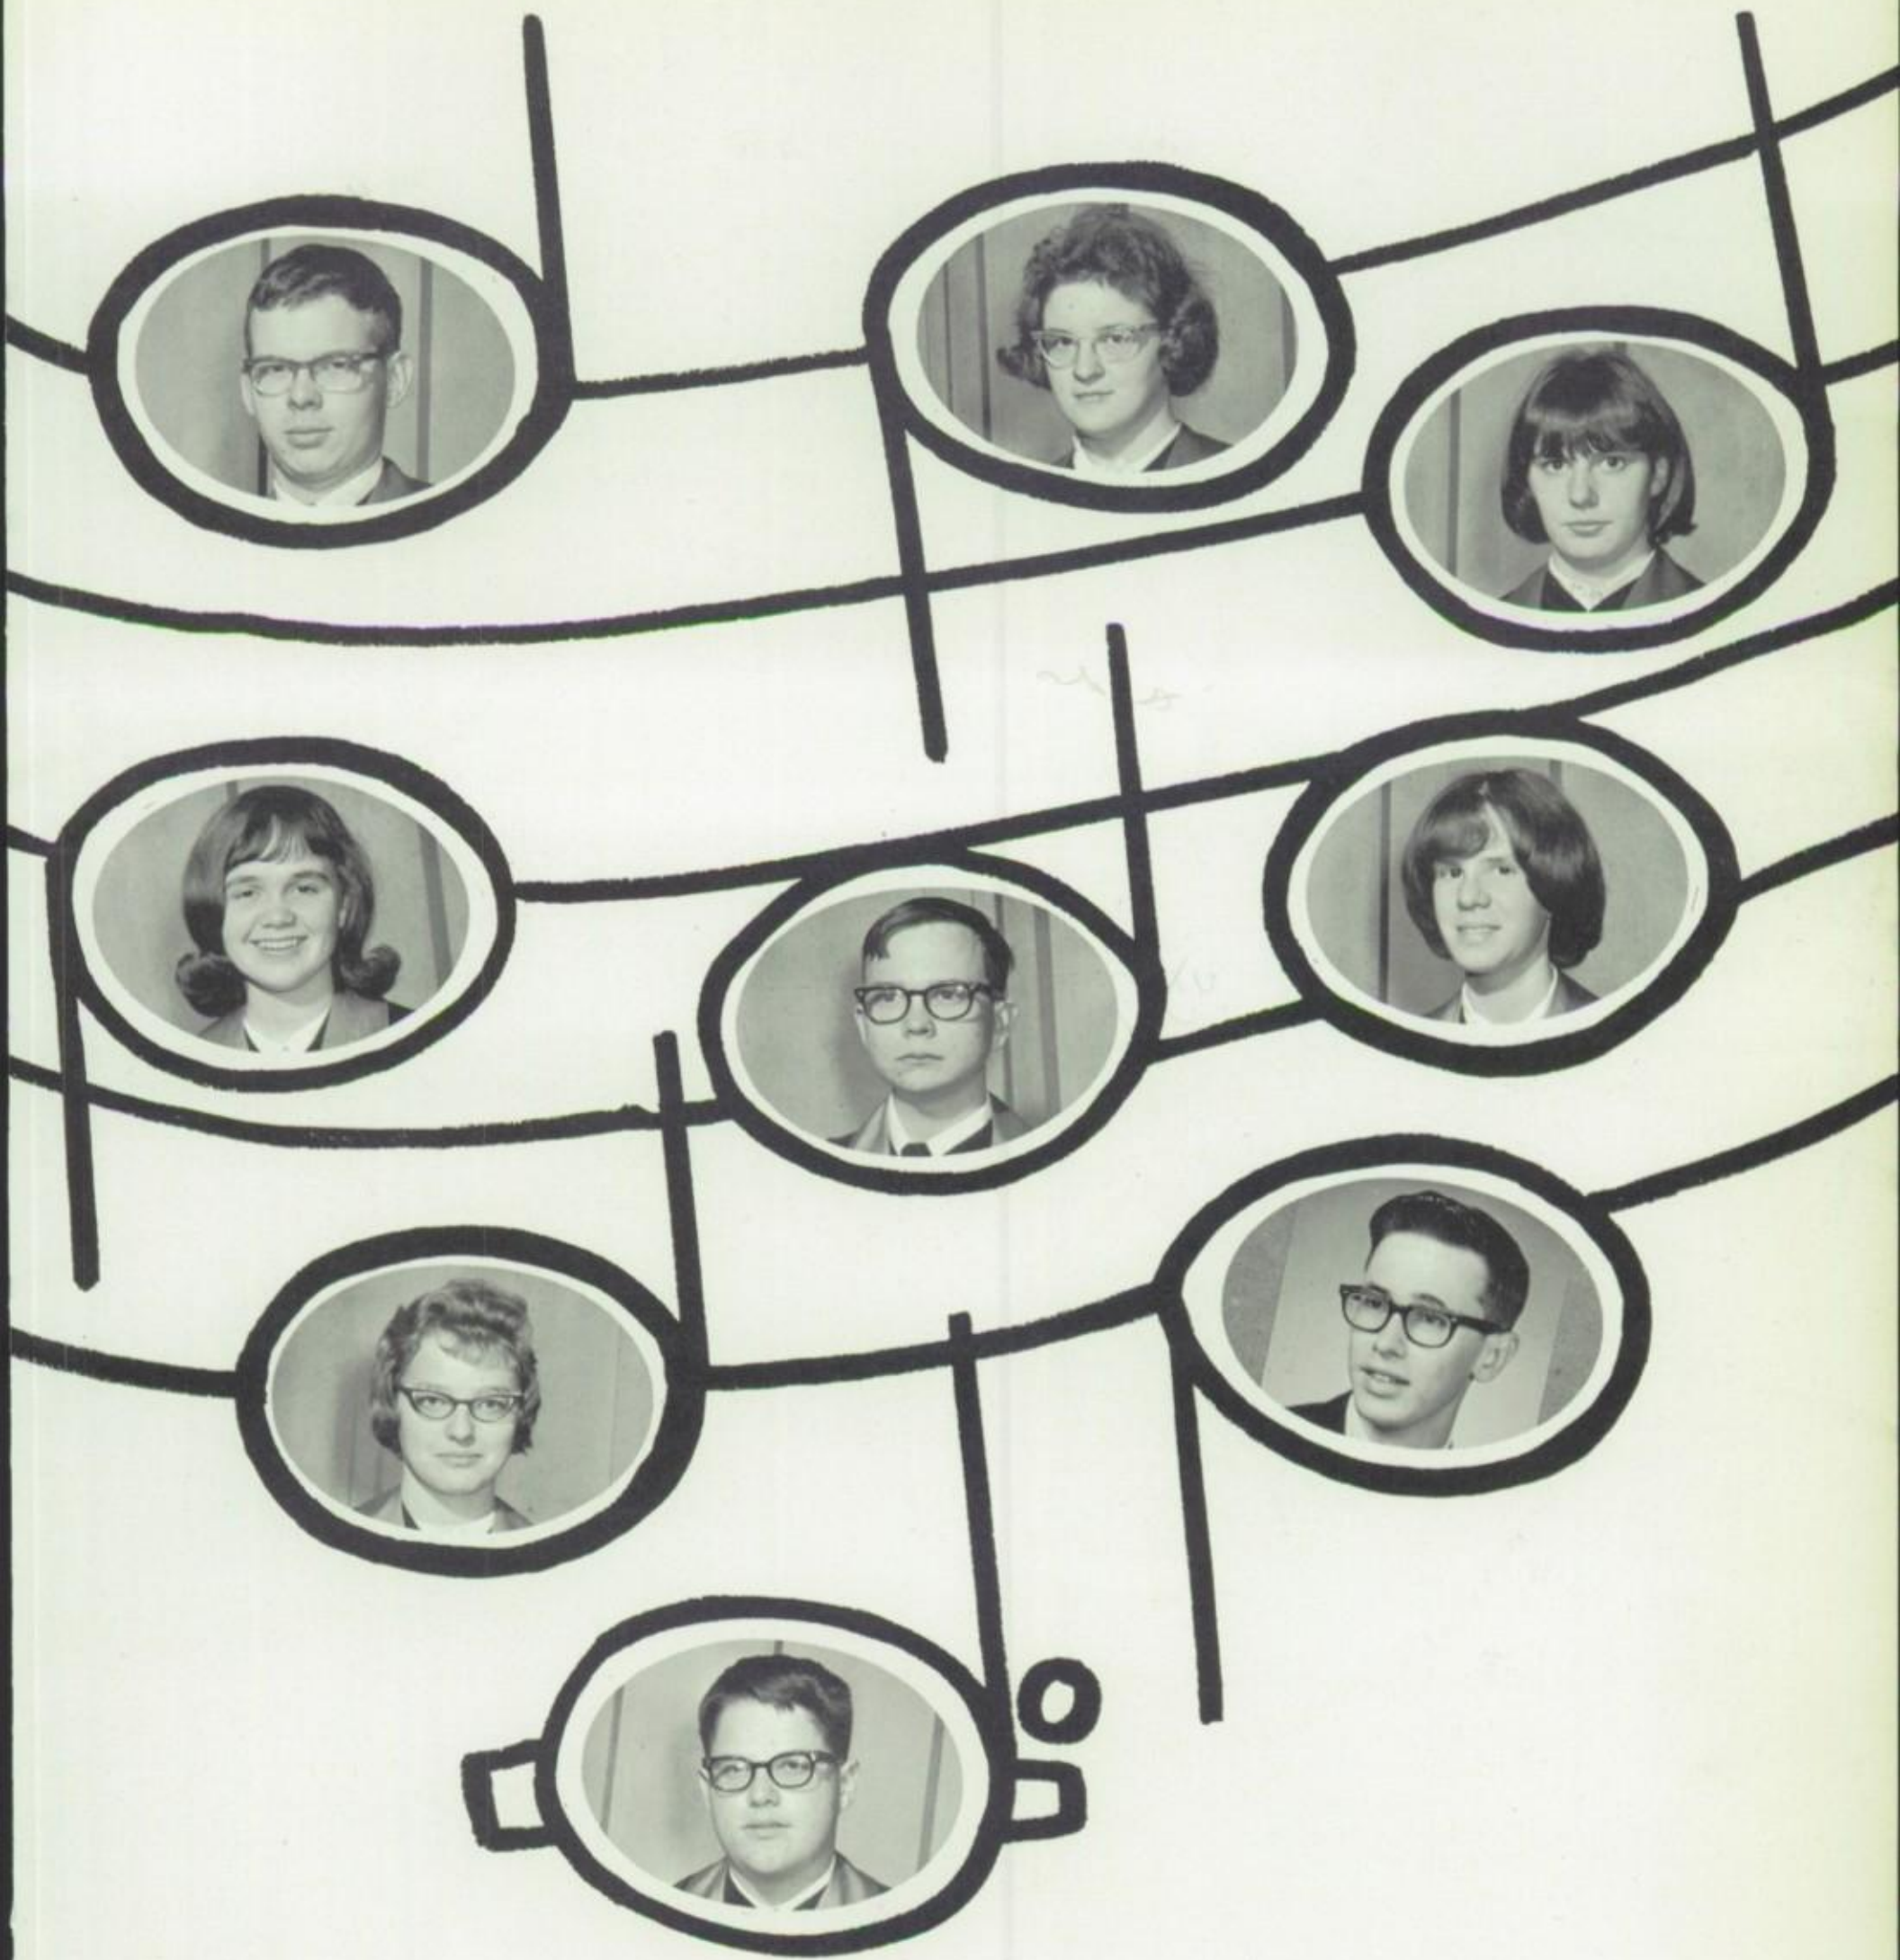

One of the main attractions was participating in the carolling in the Park during the Christmas season. A half-hour's entertainment to passing shoppers was their goal. They also sang at our Christmas Assembly on December 22. Directed by Mr. Williams, our chorus has shown much talent and initiative and we were fortunate enough to have representatives attend both District and County Chorus.

The main highlight of the year for the complete music department was the spring concert. Working along with the band, the chorus presented a program as successful as in past years.

N.H.S.

One of the highest honors that can be bestowed upon a high school student is membership in the National Honor Society. The purpose of this organization is to create an enthusiasm for scholarship, stimulate a desire to help others, promote leadership, and to encourage the development of character in the students of the high school.

To attain membership in the Honor Society, a student must maintain a 3.1 average in his junior year and a 2.75 average in his senior year.

Foreign Exchange Student

This year Ferndale was fortunate to have as its guest a foreign exchange student, Miss Nellie Novoa of Quito, Ecuador. Her father is a lawyer, her mother is a teacher, and she has three sisters, ages 22, 19, 13, and a brother 13. She was graduated in 1964 from Espejo High School in Quito, where she ranked first in a class of twenty. In December of 1963 she applied to come to America. After examinations in American Culture, written and oral English, and a subsequent interview, she was selected as an exchange student. Nellie's trip to Ferndale was a result of the joint efforts of the Student Council and the American Field Service. While a student at Ferndale High School Nellie was the guest of the McClintock family of Dale.

Student Council

The Ferndale Area Student Council met every Wednesday during activities period in room 22, with Mr. Bailey, their advisor. Composed of an elected representative and alternate from each home room, the group worked to solve the many problems of the student body that arose throughout the year.

As the governing body, they vigorously undertook the task of solving the major as well as the minor problems of the student body. Through discussion, debating, and counseling, the group was able to arrive at many decisions concerning school government.

The goals of the council were to have movies throughout the year, sponsor a "T" shirt sale, promote the sale of tablets by placing 50c in three tablets in the vending machine, and most of all—make our foreign exchange student feel at home here at Ferndale. They held an assembly early in the year to introduce Nellie to the students, and another in March to let her speak about her country and give us a chance to ask questions.

The Council also organized a committee to print a school handbook containing the rules of our school, and another one for putting the name of the school across the ramp.

Courier

The Courier staff has once again managed to keep in step with the rush of school activities. Outspoken editorials, news, and feature articles provided interesting reading to the student body. Under the guidance of Mr. Ficco, the staff compiled, published, and distributed the newspaper. The Courier once again was one of the most notable activities of Ferndale.

Reflector

We, of the Reflector staff, wish to thank everyone who helped us make this yearbook the best ever. Our special thanks are extended to Cover's Studio of Johnstown, Mr. Ambroe, our advisor, and all the patrons and subscribers.

We hope that through these pages you will remember all those good times you had during the 1965-66 school year, and that the seniors, especially, will have a "Pictorial History of Their Senior Year."

Prom

On Friday, May 7, 1965, the social event of the 1964-65 school term was held at the Masonic Temple as the junior class presented "My Fair Lady" in honor of the departing seniors. The prom is certainly one of the long cherished memories a student takes with him and this one was no exception. The fleeting moments of this evening will live long in the hearts of all who attended.

Wayne:

To a real great buddy as well as a cousin. Always remember the fun we had this year and I hope in the years to come. Lots of luck in everything you do especially in College. If you get a chance write to me. I hope love, happiness, success, and laughter go with you wherever you are. Ted
P.S. May God be with you always. Be good. (TAT)

Wayne:

To one of the funnest persons I have met this year. You're really a great kid and I hope I am your friend for a long time. Stay the way you are and you will succeed in every thing you may attempt. Never forget the crazy times we shared on the activity bus and in school. May the light of the sun always shine in your way.

Wayne,
what can I say
to you. You're really
a great kid with
a wonderful
personality. I don't
think I'll ever
get lost summer
and all the great
times we had
together. I hope.

THE REFLECTOR CLOSES

Our trail stretches ahead

We look backward and see the winding road
that has brought us here.

We look toward a limitless future

Waiting just around the bend.

Gratefully we remember those who first
tread Ferndale's path.

They established her traditions and blazed
the trail for us.

Humbly we pick up our packs and walk
purposefully onward.

There is much that still must be done; the
trail is beckoning.

You won't forget
either. Some times
I wish I could
change a few things
with that summer
(like how stupid I
was not knowing
a good thing) But,
I guess time

must go on. I wish you all the luck
in the future. But, you don't need it.

Always,
Alec

Thru these short high school years we've known both—joys and fears
Now tho our path di-vide our hearts are still as one

Then it is that our thoughts turn to that friend
You shared with me my joys light-ened my grief
Old joys bring rap-ture still en-chant our thoughts

Ot-hers fade from my sight years have passed by
Each year knits close the tie of friend-ships met

Junior High Taking on a New Direction

This year all the seventh and eighth grade students of the district are attending school in the Dale Junior High School building. Previously the students had attended school in their respective boroughs or townships. The change has proven to be very successful and the students have adjusted quickly to the new surroundings.

Dale

Dale Junior High operates under the capable direction of Mr. Rodgers, the principal. Charged with the complex duties of reorganization, Mr. Rodgers has done a commendable job of bringing together a new faculty and a new student body and welding them into a functioning unit. Dale's future success will be the reward for his efforts.

Faculty

As the school term began, a new era was marked by the Dale Junior High. Symbolic of its new position as an integrated facility serving the entire Ferndale Area System, many new faces were added to the familiar as the faculty was organized. This combination implemented a program which proved to be second to none. Hearty congratulations are in order to these faculty members who give so much in order that youth may be served.

by Changing Locations

A typical day in the life of a Dale student involves a great many activities in addition to the burdensome classroom duties. Each student braves the halls and stairways between classes, and some through "no fault of their own" manage to participate in activities involving the "Board of Education." A more enjoyable activity is typified by picture day and Don from Cover's Studio.

School Year

The purpose of school is to provide each student with the tools necessary to successfully meet the challenge of life! Mr. Matsko and his class typify the learning activity so adequately provided at Dale Junior High.

One of the most valuable tools in the educational process is the library. Here students meet to discover the secrets hidden in the vast confines of the books stored there.

A new program was initiated this year for the seventh grade boys who were interested in football. Mr. Ambroe, their supervisor, undertook the tasks of teaching them the fundamental skills of the sport and the importance of good sportsmanship. He taught them various skills and plays and the responsibilities of each player on the team. This squad will later help determine Ferndale's sports record.

Manager Dennis Reed hands out equipment under the watchful eye of Coach Petrore in preparation for a practice session.

Head Coach Petrore
Assistant Coach Friebe

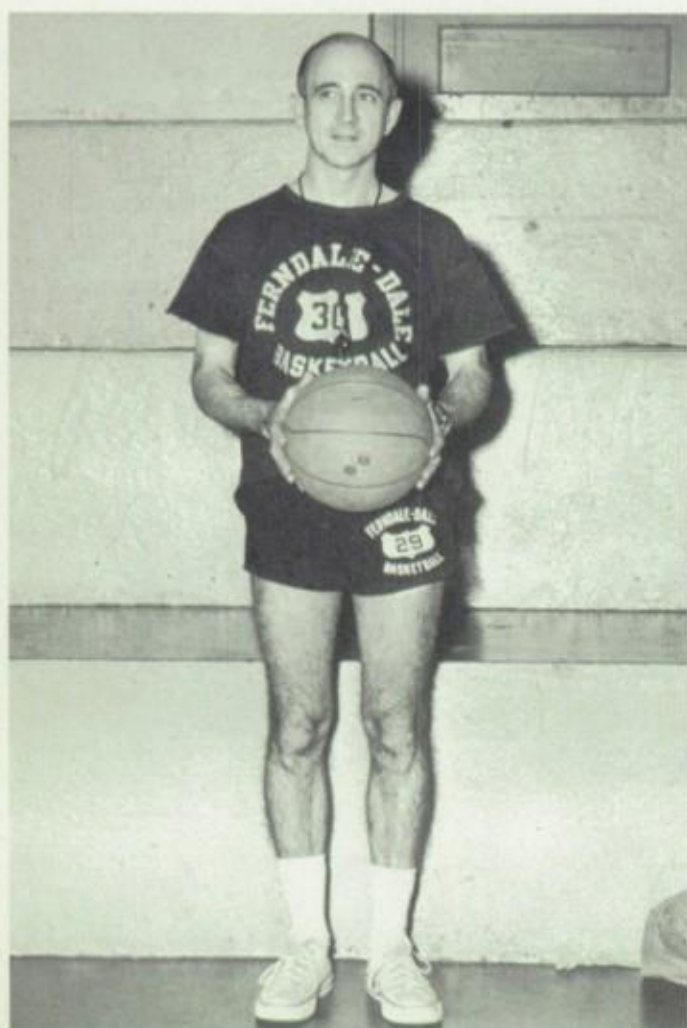

Under the direction of Coaches Petrore and Friebe, Ferndale Area's Junior High Football Squad practiced diligently and represented the school in the district's gridiron wars. On the skills learned during these practice sessions and games depends our school's future successes in football.

Junior High Basketball Squad

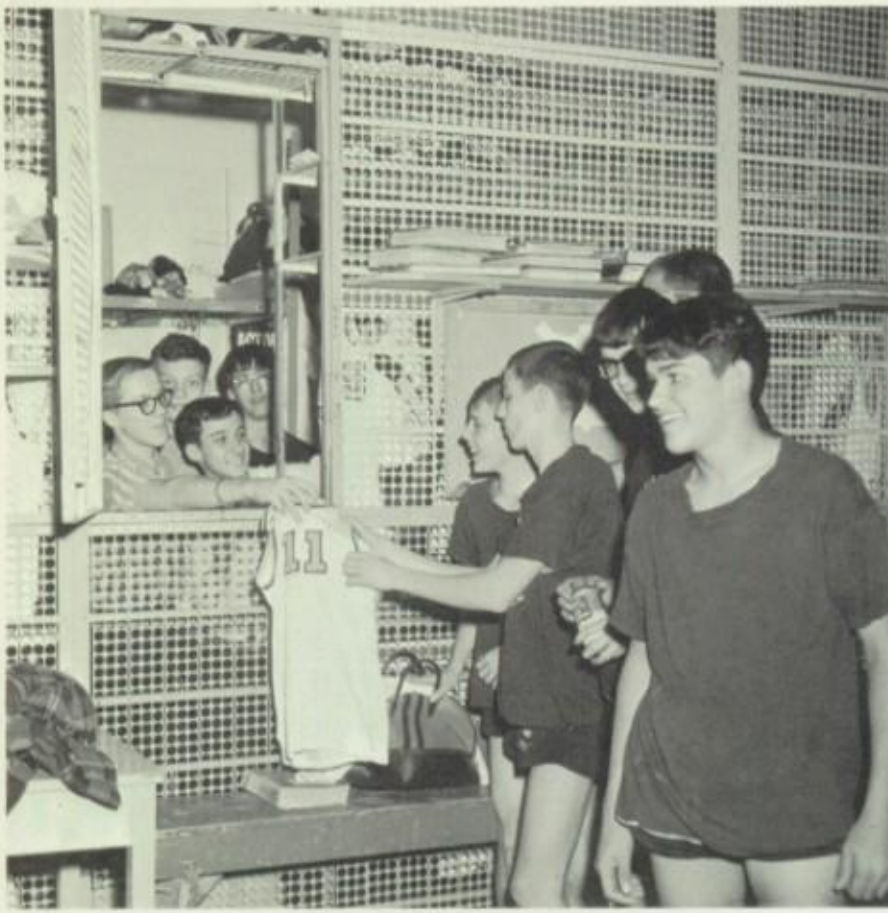

Row 1: Gyorke, McIlwain, Rodgers, Price, Pinelli, Johnson, Stump, Carter, McFeaters. Row 2: Coach Weber, Reed, Farley, Kegg, Peel, Clites, Secary, Petree, McDaniel, Ieni. Row 3: Webber, Barnes, Lester, Pickerill, Shaffer, Dunbar, Taylor, Smith, Wingard.

Coach Webber

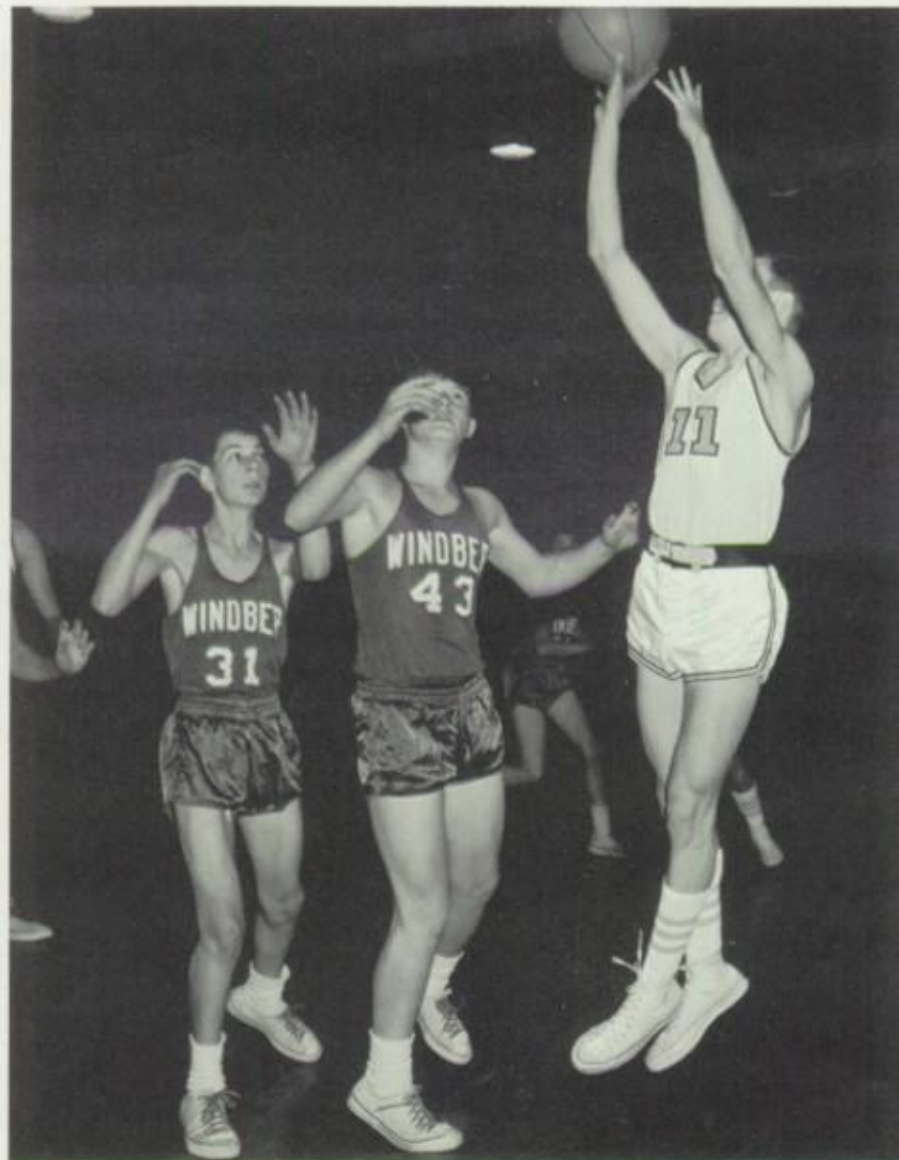

Ferndale Area was well represented this season in the Mountain Conference Junior High League. Under the direction of Coach Webber, the team practiced hard and long, learning and mastering those skills which are necessary to achieve success on the hardwood. The team displayed a fine aggressive spirit and a strong will to win. These traits combined with a fine sense of sportsmanship leave an indication that the future of basketball at Ferndale is a bright one. We congratulate Coach Webber and his team for a job well done.

Wayne,

To a very nice kid in our
great senior class and a fellow
from the hill. Never forget the
many good times we have had
together and may there be many
more. May happiness and prosperity
go and be with you forever. I
wish you all the luck in the
world. May God Bless you
and be with you always.

Wayne,

to one of my best friends who I've had
a lot of fun with down through these
years at F.H.S. Remember all the cool times
we've had at football camp and practice, and
wrestling practice, and everywhere we've had
fun together. Keep working hard, good luck with
anything you may get into at college next
year. Best wishes and may God bless you
and keep you. Always the very best of friends,
Kay
